

Product Type Approval Certificate

Full

This certificate is issued to:

Supplier name and address:	voestalpine Railway Systems Pty Ltd (vaRSAU), formerly voestalpine VAE Railway Systems Pty Ltd 33 McLennan Street, Mackay, QLD, Australia 4740
-----------------------------------	---

In respect of:

Manufacturer:	voestalpine Railway Systems Pty Ltd (vaRSAU), 33 McLennan Street, Mackay, QLD, Australia 4740
Place of manufacture:	33 McLennan Street, Mackay, QLD 4740
Product description:	Voestalpine VAE Railway Systems: Manufacture of former RailCorp Legacy products i) Manufacture, production and supply of turnouts, switches, crossings, stockrails, checkrails and tapered noses for a selection of approved rail sections. ii) Production and supply of the above products that were approved or accepted for production by RailCorp prior to 1st July 2013
Use approved for:	This Type Approval is for the continuance of production of Track Infrastructure items that were manufactured and installed within the TfNSW heavy rail network prior to 1st July 2013 and are still in current production.
Conditions of approval:	<ol style="list-style-type: none"> 1. The place of manufacture shall hold International Quality System Certification at all times. 2. The legacy products approved for production and supply are those that have been listed in the Legacy Product Report VAE Mackay, dated 15th April 2016. 3. For a maintenance application, additional products have authority to be manufactured and produced from a corresponding formally approved drawing, or similar authorisation, that was effective (held in the TfNSW plan repository) prior to 1st July 2013 and has not been withdrawn or cancelled. 4. Should the presence of any previously unidentified defect or condition in service arise, it shall require further collaborative

	<p>investigation with the RIM, and with AMB to be notified of the outcome.</p> <ol style="list-style-type: none"> 5. TR16/3008 is superseded by this type approval certificate. 6. The products must be installed strictly in accordance with the manufacturers' instructions. 7. This approval is for vaRSAU products only, manufactured within the facilities at Mackay. Third party products supplied through vaRSAU even if in use prior to 1st July 2013, must obtain or verify their own Type Approval. 8. The supplier or manufacturer shall advise AMB, TfNSW of any changes made to the products or system that may alter its identification, performance characteristics, form, fit, function, processes required for correct usage or place of manufacture to enable review and revision of this approval.
