Upcoming work

The Beecroft Station upgrade is underway with site establishment and investigation activities in progress.

Work will continue throughout November and will include:

- piling and concrete work for the lift foundations at the Wongala Crescent lift area
- demolition and concrete work within the old booking office (in the pedestrian underpass)
- installation of site fencing along the footpath between the Sutherland Road Commuter Car Park and the eastern entrance of the pedestrian underpass
- minor relocation of the bicycle hoops.

Equipment to be used includes a piling rig, excavator, concrete trucks/pumps, delivery trucks, truck-mounted crane as well as power and hand tools.

Temporary station access changes

The stairs and switchback ramp between Wongala Crescent Commuter Car Park and the station will be closed until **late 2021**, to allow for construction work to be carried out.

Commuters can continue to access the station via the pedestrian underpass tunnel and ramp.

Artwork – Wongala Crescent

The glass artworks which were installed at the completion of the Epping to Thornleigh Third Track (ETTT) project by artists Amanda Kay, Jerome Dobinson and the community will be temporarily removed and stored off-site to ensure their preservation during the upgrade. The re-installation location is to be decided in consultation with Hornsby Shire Council and the artists.
