Work to upgrade Beecroft Station will continue in May and includes:

- concreting work associated with the lift structures
- installing cladding and finishings to the lift structures
- installing the lifts within the lift structures
- continue drainage and concrete work on the platform
- continue the refurbishment of the existing platform toilet facilities to convert the bathroom into a family accessible toilet
- excavation and concrete work associated with the replacement of the existing footpath between the station and commuter car park adjacent Sutherland Road.

Equipment to be used includes excavators, concrete trucks/pumps, delivery trucks, power tools and hand tools.

Station toilet closed – temporary toilet available

The existing toilet in the station building will be temporarily closed **until mid-June 2021** while it is upgraded to a family accessible toilet. A temporary unisex toilet is available for use at the Sutherland Road entrance to the pedestrian tunnel.

The temporary toilet is available during station opening hours. Signage is in place to help with these temporary changes.
