Upcoming work

Construction of Bexley North Station Upgrade is continuing with work to construct a new lift on the platform and a new ramp within the commuter car park currently underway. Construction activities will continue throughout March, and include:

- excavation and services installation on the platform and in the Commuter Car Park
- installation of permanent platform stair balustrades and removal of construction materials from underneath the temporary stairs
- refurbishment of the platform building including converting the male toilet into a family accessible toilet
- construction of the new station access ramp and retaining walls in the Commuter Car Park
- delivery of materials and equipment to the Commuter Car Park temporary work area.

For project information call **1800 684 490**,

email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/bexley-north

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465

Equipment to be used includes delivery trucks, concrete trucks and pumps, excavators, rollers, small mobile cranes, power and hand tools.

Fast facts on progress to upgrade Bexley North Station

Since construction started in May 2020, we have:

- installed nearly 98m³ of concrete structures across the work area including foundations, ramps, slabs and plinths. This is equal to the volume of 500 bath tubs.
- diverted over 75 tonnes of waste from landfill through our recycling practices. This is approximately the weight of 12 elephants.
- installed over 33 tonnes of steel and steel reinforcing mesh. This is approximately the weight of 20 five-seater cars.
- utilised innovations in our construction methodologies including a waterless vacuum excavation truck and concrete washout water recycling system.

Kingsgrove Avenue parking and access changes

To create a safe working area for construction of the access ramp and car park upgrades, there will be ongoing temporary parking and access changes including:

- temporary closure of the Kingsgrove Avenue commuter car park **until late 2021**. Parking will remain available for commuters on Kingsgrove Avenue west of the Commuter Car Park.
- temporary closure of up to 18 car parking spaces along the rail corridor boundary fence
- temporary lane width reduction.

Please continue to access the station via Kingsgrove Avenue and Bexley Road footpath. Please also allow extra travel time and follow the direction of signage including reduced speed limits while the temporary changes are in place on Kingsgrove Avenue (westbound).

Changes to station toilets

To enable refurbishment of the station toilets, **the existing male toilet in the station building will be temporarily closed until April 2021**. The existing female toilet will be operating as a unisex toilet during this time. Signage has been installed to help customers with these temporary changes. When complete, the station will feature a new family accessible toilet and a unisex ambulant toilet.

Construction hours

Standard construction hours are from 7am to 6pm every day, including public holidays.

We understand extending construction hours to include weekends and public holidays may cause disruption, but all efforts will be made to minimise impacts where possible and ensure strict environmental conditions relating to noise, vibration and dust management are adhered to.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent updates published to the project website transport.nsw.gov.au/bexley-north. If you would like to be added to the project distribution list, or for more information on the Bexley North Station Upgrade, please contact projects@transport.nsw.gov.au or call the Project Infoline on **1800 684 490**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
