

Transport Access Program

Canley Vale Station Upgrade

Community notification

June 2021

Transport for NSW is improving accessibility at Canley Vale Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

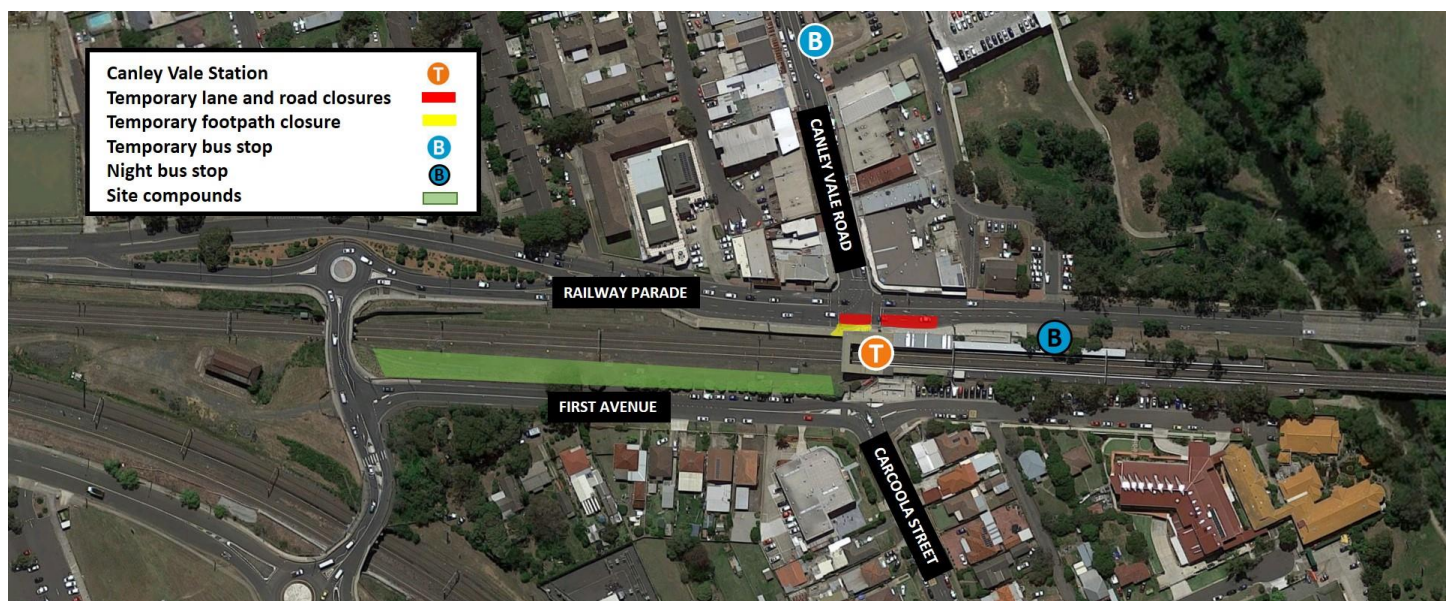

Out-of-hours work

For the safety of our workers, pedestrians and rail passengers, out of hours work will take place over four nights, between **6pm to 7am** on **Tuesday 15, Wednesday 16, Tuesday 22, and Wednesday 23 June**, to complete footpath upgrades on Railway Parade.

Equipment to be used includes trucks, concrete vehicles, line pump, jackhammers, generators, lighting towers, excavator and hand tools.

Traffic control, security and signage will be in place to assist pedestrians and motorists around the work area when required. The work activities will be noisy at times. We apologise for the inconvenience and will minimise the impact by turning off vehicles and equipment when not in use, monitoring noise levels, using non-tonal reversing beepers and acoustic barriers. Lighting towers will be solar powered to further reduce noise.

During this period, the station pedestrian bridge will **remain open**. We thank you for your patience during this important work.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/canleyvale

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Bus stop changes

From **12 July 2021**, the bus stop adjoining Canley Vale Station will reopen for customers. The temporary bus stop on Canley Vale Road and the temporary night bus stop on Railway Parade will close from this date. This will impact bus route 817 (Fairfield to Cabramatta) services, school bus routes 9548 (Our Lady of the Rosary PS to Cabramatta via Wakeley) and 9557 (Mary MacKillop College to Cabramatta), N50 Night Services (Town Hall Station to Liverpool Station), and 29T2 and 80T2 Replacement Train Services.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/canleyvale.

If you would like to be added to the project distribution list, or for more information on the Canley Vale Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
