

Transport Access Program

Denistone Station Upgrade

Transport for NSW | July 2022

The Transport Access Program will deliver a better experience for Denistone customers with an upgraded station accessible to all including those with a disability or limited mobility, parents and carers with prams and customers with luggage.

Key features of the upgrade:

- two new lifts connecting the station concourse to platforms
- new boarding assistance zone canopies and new benches on both platforms
- upgraded accessible paths from the new lifts to the boarding assistance zones and station amenities
- upgraded handrails for existing stairs to platforms
- reinstated heritage awning at the station entrance new kiss and ride bay on Gordon Crescent.

Upcoming work

During July we will:

- Continue remediation works on the concourse and station buildings, including removal of lead paint and steel.
- Continue construction of lift shafts above platform level and the installation of scaffolds around both lifts.
- Install new utilities outlets for station power and communication supply along Gordon Crescent side entrance, platform and garden beds.
- Construct a concrete slab for the new electricity transformer.
- Investigate and relocate services.
- Resurface and regrade the platform.
- Upgrade stormwater pipes to connect to new canopies on the lift shaft and platforms.
- Start work on constructing new toilet facilities.

Our work schedule

Our work hours are between **7am** and **6pm Monday to Friday** and **8am to 1pm on Saturdays**.

We understand that our work may be noisy at times. We will do everything to lessen the disturbance including turning off vehicles and equipment when not in use and using non-tonal reversing beepers.

Temporary changes may be in place during our work hours to safely detour people around the work zone. Thank you for your continued patience and for using caution around the areas of work.

Weekend and night works

For the safety of our workers, pedestrians and motorists, work will take place from **10pm Friday 22 July to 5am Monday 25 July 2022**.

Some of this work will take place in the rail corridor and needs to be carried out during a scheduled Sydney Trains track work period when trains are not running.

We apologise for the inconvenience and thank you for your patience during this important work.

Please visit www.transportnsw.info or call **131 500** for up-to-date information regarding service updates and replacement buses during this time.

How will the work affect you?

From **Wednesday 20 July to Monday 25 July**, the Gordon Crescent Car Park will be closed to all customers.

There will be the temporary loss of some on-street parking on East Parade, West Parade and Ryedale Road near railway access gates during this period to allow for the delivery of work vehicles and construction materials.

Please allow extra travel time and follow the instructions of traffic control staff and signage while this work is carried out. Please see the map below outlining these works and detours.
